JOIN THE BAND POLICIES AND PROCEDURES FOR 2011SUMMER CAMPS (2nd of 2 pages)

RELEASE OF LIABILITY: "Student/participant agrees to forever release, indemnify and hold harmless Join the Band, its agents, employees, and assigns, from any and all liability and/or damages incurred, in whatever form, whatsoever, including but not limited to damage sustained while participating in rehearsals at the Join the Band studios, and/or any performance at any and all venues selected or assigned to the participant/student as part of the Join the Band program. Participant/student acknowledges that constant exposure to loud music of the type experienced while participating in the Join the Band program could cause hearing loss and that they have been advised to wear ear plugs during all rehearsals and performances; however, the choice to wear same, though strongly recommended by Join the Band, is left entirely to the discretion of the student/participant."

EAR PLUGS

We request that all Band Members and guests wear earplugs. You will be in an environment with loud music. You risk permanent damage to your ears if you choose not to wear earplugs and "Join the Band LLC" is not liable in any way if you choose not to protect your ears. You WILL suffer hearing loss if you expose your ears to loud music over extended periods of time. Every person is unique, so we cannot predict at what point you will suffer damage. It is not uncommon for some persons to experience hearing loss/damage where others do not. DO NOT take this risk. Use ear plugs at all times when participating in John the Band rehearsals and performances. If you do not, you should plan on suffering ear damage. We are not responsible for any damage to your hearing that you may suffer as a result of your participation in Join the Band activities.
